## Press Release

### UK Christian Book Award announces the shortlist for the 'Ultimate Christian Library Book'

Voting is underway for the UK Christian Book Awards 2010. The titles in the shortlist are: 'Lies, Lies, Lies!' By Michael Green , 'The Unquenchable Flame' by Michael Reeves and 'What Kind of God?' By Michael Ots all from IVP. Also, One Step Beyond by Gram Seed from CWR and 'The Lion Handbook to the Bible' revised edition from Lion Hudson.

All five titles were considered worthy candidates for the title 'Ultimate Christian Library Book', which is a revised award to focus more on the concept of Speaking Volumes who organise and sponsor the award. 'We wanted public and publishers alike to think about what book would most capture the interest of public library visitors and inspire further enquiry into the Christian faith,' explained Paula Renouf, Director of Speaking Volumes.

Voting for the award is taking place online at [www.christianbookawards.org](http://www.christianbookawards.org) until 31<sup>st</sup> March, 2010.

The winner will be announced at the Christian Ministry Awards at CRE on 11<sup>th</sup> May, 2010.
